Summary & Objective

Gold Medalist in MSc Computer Science with strong academic performance and foundational industry experience in software and technology development. Seeking to pursue doctoral studies to expand technical knowledge and contribute to advanced research in computer science.

Skills Summary

Programming: Python, PHP, Java
Data & Machine Learning: Pandas, NumPy, Scikit-learn, PySpark, NLP, Data Analysis
Web Technologies: Flask, Streamlit, Laravel, HTML, CSS
Cloud & Systems: AWS, Windows, Linux
Tools: Git, GitHub, MySQL, VS Code, Jupyter Notebook
Soft Skills: Analytical Thinking, Problem Solving, Research Orientation, Technical Documentation, Team Collaboration

Experience

Junior Software Developer, AIVISTA Technologies Pvt. Ltd. (Remote)

- Developed web applications using PHP and Python (Flask) with backend API integration.
- Contributed to system development and collaborative software engineering workflows.

Cloud & Software Developer, Adamas Tech Consulting

- Worked with AWS services including EC2, snapshots, and lifecycle policies.
- Assisted in server migration, deployment workflows, and monitoring using CloudWatch and IAM.

Projects

AI-Powered Nutrition Recommendation System — GitHub
- Developed a personalized diet recommendation system using Python, Scikit-learn, and Streamlit.

Global Superstore Data Analysis — GitHub
- Performed sales and profit analysis using Pandas and Matplotlib.

Object Detection and Price Prediction — GitHub
- Developed an object detection and prediction system using TensorFlow.js.

Phishing Email Detector Web App — GitHub
- Built a phishing email classification web application using Flask and NLP.

AI Image Story Generator — GitHub
- Generated narrative text from images using AI APIs and JavaScript.

Space Invaders & Bee Shooting Games
- Developed 2D games using Pygame and C# with collision detection and scoring systems.

Education

Vidyasagar University, India
Master of Computer Science (MSc)
CGPA: 9.21 | First Class First (Gold Medalist)

Prabhat Kumar College, Contai, India
Bachelor of Computer Science (BSc)
CGPA: 9.24 | First Class
